### Student's Declaration:

I certify that the information contained on this form is true and correct. I will maintain a minimum registration of 1.5 credits (or 1.0 credits if registered with SAS) for the term covered by my Work-Study approval. I agree to notify Student Awards, by email, of any change to my study period status during the period covered by this application. I understand that it is an offence to alter or falsify any information contained on this sheet. I further understand that any changes made to the information on this sheet or failure to report changes in my registration status may restrict me from receiving work study in the future and may result in legal action being taken. I also understand that I may not hold more than ONE work study job at a time.

Weekly Appointments: Departments must report the total salary paid during the semester for students on a weekly appointment. Hours reported will include only the hours worked beginning the first class day up to the last day of exams. These dates apply for Graduate students as well. Departments must provide the Awards Office with an hourly wage and the total hours worked. Departments who do not provide this information by the last day of exams will not receive their reimbursement. It is the responsibility of the department to report this information. The awards office will no longer be requesting this information.
